

MY *tax* ACCOUNT

Easy, secure access to your
Wisconsin tax information

What is My Tax Account?

An online tool that allows easy, secure access to your Wisconsin tax information.

My Tax Account includes: sales and use taxes; premier resort taxes; local exposition center taxes; rental vehicle fees; and employer withholding taxes.

What will My Tax Account allow me to do online?

- ◇ E-file original or amended tax returns
- ◇ Make payments
- ◇ View and print copies of the tax returns and payment history
- ◇ Update name, address or e-mail
- ◇ View and print tax notices and correspondence
- ◇ Request extensions to file
- ◇ Request installment payment agreements

How do I register?

- ◇ Register online at revenue.wi.gov
- ◇ Follow registration instructions, providing appropriate contact information, identification number and authentication for your business.
- ◇ After registering, you will receive an e-mail that will allow you to log in to My Tax Account.

May I authorize a tax representative to conduct business for me?

Yes, you may authorize your tax representative through the online registration process. You will be sent an e-mail with your tax representative's identification number, and can then authorize your tax representative to: (1) view; (2) file; (3) pay; or (4) file and pay.

- ◇ All taxpayers who file Wisconsin sales tax returns through the Sales Tax Internet Process (SIP) will need to transition to My Tax Account by June 5, 2009.
- ◇ All taxpayers who use our electronic funds transfer (EFT) registration and payment system for withholding taxes will need to transition to My Tax Account by December 31, 2009.
